NH HOTEL DRESDEN AN DER KREUZKIRCHE

For many, Dresden has developed into one of the most beautiful cities since the German reunification. The historic old town and the newly built modern architecture have led to a stunning and unique symbiosis. Dresden is also home of THE East German cult club Dynamo Dresden. Despite Dynamo Dresden playing in the third league of German football, the modern stadium is sold out every other week attracting 30.000 spectators. Dresden is simply unique!

# NUREMBERG

HILTON HOTEL NÜRNBERG

[www.nuernberg.de](http://www.nuernberg.de)

Nuremberg is one of the oldest cities in Germany and always stood slightly in the shadow of the Bavarian capital Munich. This has noticeably changed in recent years, today Nuremberg is among the ten German cities with the highest standard of living. In addition to various shopping offers – in particular in the beautiful historical old town – the surroundings provide plenty of further recreational opportunities while relaxing from the daily training routine.
