NH HOTEL DRESDEN AN DER KREUZKIRCHE

For many, Dresden has developed into one of the most beautiful cities since the German reunification. The historic old town and the newly built modern architecture have led to a stunning and unique symbiosis. Dresden is also home of THE East German cult club Dynamo Dresden. Despite Dynamo Dresden playing in the third league of German football, the modern stadium is sold out every other week attracting 30.000 spectators. Dresden is simply unique!
